President's Message

Memorial Day and Flag Placements on the Graves of our Fallen Heroes

My message this month centers upon Memorial Day, a day on which we honor our fallen heroes and veterans who gave and sacrificed so much in order that we may keep our constitutional freedoms alive

and well.

Our Pinellas Federated Republican Women's club has been decorating the graves paying tribute to our heroes, ever since our club was chartered, which was in 2020.

This year, flag placements will take place on Sunday, May 25th, beginning at 8:30 am at Bay Pines National Cemetery. We will be placing the flags in section F-I. I have already signed up to participate, and I hope that more of you will join me. We can also meet for brunch afterwards. If you are unable to participate in this very important task, Flag Retirement will take place Sunday, June 5th, 2025, at 9 am. Please choose one or the other or both. It would be lovely if we could get together at least a group of five to place the flags. The hyperlink,

copied and pasted for the instructions, is the following: [Microsoft Word - 2025 VOLUNTEER INSTRUCTIONS BAY PINES NATIONAL CEMETERY](#)

Bring a screwdriver, a 12-inch ruler, and a rubber mallet if you have one.

We are allowed to wear our club t shirts.

Origin of Memorial Day:

Memorial Day began three years after the conclusion of the Civil War, May 5th, 1868, by the Grand Army of the Republic, under Major General John Logan, who established May 30th as Decoration Day for the fallen soldiers. The first major observance occurred that same year at Arlington National Cemetery. Memorial Day was later expanded to include fallen soldiers from all wars.

Let us Never Forget!

Milosz Gasior

Defying Autism with Music

Our Christmas Pianist's Bio as written by his mother, Bozena Gasior

Milosz Gasior – Defying Autism with Music

Milosz is a classically trained pianist with autism who is minimally verbal yet speaks volumes through his music. Despite the challenges of his diagnosis, he has performed across the U.S. and Poland — in hospitals, schools, cultural centers, churches, and on prestigious stages.

He is the first piano major with autism to graduate from the Pinellas County Center for the Arts (PCCA) in the school's 35-year history. In 2024, he was named Mr. Inspirational by HUG (Help Us Gather), honored as Young Performer of the Year by Arts4All Florida at the University of South Florida, and became a recipient of the 2024/2025 Creative Pinellas Fund.

For nearly a year, Milosz has been volunteering by performing at Moffitt Cancer Center, bringing healing and hope to patients and families. His story has been featured on national TV in Poland and highlighted on the TEDx stage, where his mother — author of his biography *I Heard the Light* — shared his journey while Milosz performed live.

Pinellas Federated Republican Women is proud to support Milosz by giving him the platform he deserves — including hiring him as a featured entertainer for our annual Christmas celebrations. His performances not only elevate our events but also inspire and unite our community in the spirit of inclusion and hope.
