President's Message

As we head into October and closer to the November election, I want to share a few important dates and encourage each of us to make sure we, and those within our own spheres of influence, are prepared to participate.

October 5 — Voter Registration Deadline

October 19 — Early Voting Begins in Pinellas County

November 3 — General Election Day

Vote-by-mail ballots for domestic voters are scheduled to be sent between September 24 and October 1, so many of you will have your ballots in hand by the time you read this.

Our August primary gave us a powerful reminder that every vote truly matters. The Pinellas County School Board District 6 race was ultimately decided by just seven votes following a recount. Seven votes. In a race with nearly 48,000 ballots cast, the margin between victory and defeat came down to just seven votes.

We cannot assume that our neighbors, friends, and family members will vote simply because we expect them to. We need to have conversations, share information, remind people about important dates, and encourage participation. Know the races and issues on your ballot, make a plan to vote, and encourage those around you to do the same.

We are also seeing increased activity from the Democratic Socialists of America and candidates associated with the organization. In Florida, DSA member Angie Nixon won the Democratic primary for U.S. Senate in August, while other DSA-aligned

candidates have been active in races throughout the state. Whatever our individual views of these candidates or their policies, their activity is a reminder that organized grassroots participation can have a meaningful impact on elections.

So, I encourage each of you to walk the walk as members of Pinellas Federated Republican Women. Talk with your family, friends, and neighbors. Know the candidates and issues on your ballot. Consider volunteering with a campaign or civic organization; whether that means making phone calls, knocking on doors, assisting with voter outreach, or helping in another capacity.

Our influence doesn't end when we leave a club meeting. It extends into our homes, neighborhoods, workplaces, churches, and communities. If we want to make a difference, this is the time to be engaged.

On a more exciting note, your Executive Board has also been working on some new ideas to make our meetings even more enjoyable and to add some fun events after the election and throughout next year. We want PFRW to be a place where women come not only to learn and become more engaged, but also to build friendships and enjoy being together.

If you have an interest in helping us plan events or have an idea you'd like to share, please reach out to me or any member of our Executive Board. We would love to have more of our members involved!

Let's finish this year strong, stay engaged, and continue to **walk the walk** together.

Stacy Geier,
President PFRW

PINELLAS PULSE

Your Community. Your Voice. Your Pulse.

October 2026 | Serving Pinellas County

Pinellas County's stunning Gulf Coast shoreline — the heart of our community this fall season.

LOCAL LIFE & COMMUNITY EVENTS

The club members told us they wanted to hear more about our communities, so here we go, let's see what our lead into fall brings us.... football, pumpkin patches, seafood festivals, and maybe some cooler weather is ahead. Enjoy!

Cleveland Street Is Clearwater's Biggest Comeback Story — \$200M in private investment, 600 block under construction, new restaurants (Rippers, Streetlight Taco, Hanami), and the \$50M EVO Entertainment Center

Clearwater Library Marks 110 Years — Carnegie legacy celebration at the Main Library

Dunedin Goes Dry (and Delicious) This Fall

Downtown Dunedin's Mocktail Walk has taken the city by storm — a fun, sober bar crawl winding through the charming streets of one of Pinellas County's most beloved downtowns. The event showcases local restaurants and creative mocktail menus, proving you don't need a drink in hand to have a great time with your neighbors. With new mocktail stops popping up each year, this beloved event keeps getting bigger and better. Mark your calendar and bring a friend — it's the social event of the season.

PCS Weighs School Closures in \$25M Cost-Saving Plan

Pinellas County Schools has proposed closing seven schools as part of a sweeping \$25 million cost-saving initiative. The recommendations have sparked community conversations across the county as families, educators, and school board members weigh long-term solutions to mounting budget pressures. Enrollment shifts, aging facilities, and post-pandemic funding gaps are all factors driving the proposal. Public input sessions are ongoing — make your voice heard before decisions are finalized this fall.

Dunedin's Downtown Transformation Continues

A zoning change for the Dunedin parking garage has officially kickstarted Phase One of a major downtown development project. The Douglas Parking Center will bring 309 parking spaces and 25,000–30,000 sq ft of ground-floor retail and commercial space — a welcome sign of growth for the city's thriving historic district. Local business owners are cautiously optimistic, and construction timelines are expected to move quickly into fall. Watch this space — downtown Dunedin is about to look very different.

FLORIDA TRENDS

Florida Fall: Real or Myth?

Good news — fall IS coming, eventually. October temperatures across Pinellas County should ease into the low-to-mid 80s, with overnight lows finally dipping below 70°F by late October. The autumnal equinox arrived September 22, and while above-average sea surface temps are keeping things warmer than usual, the humidity relief is real and welcome. Translation: grab your lightest cardigan — you may need by Halloween. Floridians know how to celebrate the season no matter what the thermometer says.

E-Bikes: Pinellas Weighs In on New Rules

After Gov. DeSantis vetoed a state e-bike regulation bill, Tampa Bay officials — including those in Pinellas County — are now exploring local ordinances to manage the growing e-bike boom on trails, roads, and beachside paths. Safety advocates and e-bike enthusiasts are both at the table, and the conversation is heating up. Expect new rules to take shape before year's end, with particular attention to the Pinellas Trail and Clearwater Beach corridors where e-bike traffic has surged.

Pumpkin Spice Is Here — And So Is Coastal Living Season

October in Florida means the unofficial start of "resident season." Snowbirds return, traffic builds, and our favorite local restaurants start humming with life again. Whether it's fresh grouper sandwiches at the beach or a waterfront sunset happy hour, this is the time of year Pinellas locals remember exactly why they chose this slice of paradise. Embrace the season, support your local spots, and enjoy every golden-hour moment on the Gulf.

John's Pass Seafood Festival — 45th Year!

 **October 23–25 | John's Pass Village & Boardwalk, Madeira Beach | FREE**

One of the Gulf Coast's most beloved traditions is back for its 45th year. The John's Pass Seafood Festival brings three days of fresh Gulf seafood, live music across multiple stages, local artisan vendors, and coastal fun to the iconic boardwalk. Whether you're a longtime local or a first-timer, this is Pinellas County at its most festive and flavorful. Arrive early for parking — this one always draws a crowd.

Bluffs Wine Walk — Belleair's Signature Fall Social

 **October 24 | 3:00–7:00 PM | Belleair Bluffs City Hall, 2747 Sunset Blvd | \$39/person**

Sponsored by the Bluffs Business Association and The Silver Queen, the annual Bluffs Wine Walk is a beloved neighborhood tradition. Stroll through charming Belleair Bluffs, taste wines from local favorites, browse participating shops, and enjoy the warm community camaraderie that makes this little city shine. Tickets are available online — grab yours before they sell out.

Run for All Children — 13th Annual Race

 **October 24 | 7:30 AM | Johns Hopkins All Children's Hospital, St. Petersburg**

Lace up for a great cause! This family-friendly community race benefits Johns Hopkins All Children's Foundation and the children and families they serve. Whether you run the full course, walk with a stroller, or cheer from the sidelines, you're supporting some of the most meaningful work in our community. Multiple race distances available. Registration is open now at allchildrens.org.

Taste of the Beaches — 10 Days of Delicious

 **October 3–11 | Pinellas Beaches (Tierra Verde to Clearwater Beach) | \$10/ticket**

For just \$10 per ticket, foodies can sample signature dishes from some of the best waterfront restaurants on the Gulf. Taste of the Beaches is a fundraiser supporting local nonprofits — so every bite you take gives back to the community. With dozens of participating restaurants spanning the full stretch of Pinellas beaches, plan your culinary crawl early. Grab your ticket at tasteofthebeaches.com.

AMPED Halloween Costume Party — Art Meets All Hallows' Eve

 **October 31** | **6:00–10:00 PM** | **FloridaRAMA Impact Gallery, St. Petersburg**

Creative Pinellas throws the most artsy Halloween bash in town. Dress to impress — or to terrify — and celebrate All Hallows' Eve surrounded by incredible local art at the AMPED: Turn Up for the Arts exhibition. Part party, part gallery experience, this event celebrates the creative community that makes St. Pete one of the nation's top arts cities. Costumes encouraged. Creativity required.

LEGISLATIVE LENS

What happens in Tallahassee and at the County Commission doesn't stay there — it lands right here in our neighborhoods. Here's your plain-English breakdown of what matters most to Pinellas this fall.

DeSantis Vetoes \$13.7M in Pinellas Projects

Governor Ron DeSantis cut \$13.7 million in Pinellas County area projects from the new state budget, with significant impacts on elder care, hurricane hardening, animal welfare, and flood control. The largest cuts hit the PACE (Program of All-Inclusive Care for the Elderly) program — totaling nearly \$4.5 million — which would have funded 300 new senior care slots in Pinellas. Friends of Strays, the Lealman Exchange hurricane hardening project, and several critical stormwater and drainage projects also lost funding. The Governor framed the vetoes as fiscal discipline; local advocates frame them as a setback for some of Pinellas County's most vulnerable residents.

Sen. DiCeglie Pushes Storm Recovery Fix

Pinellas Republican Sen. Nick DiCeglie is leading the charge to repair unintended consequences of SB 180 — a post-storm law that has been used to block local governments from making unrelated planning decisions. His bill, SB 840, would narrow SB 180's application to only storm-damaged properties, restoring local governments' ability to

move forward on broader community planning. DiCeglie is also championing a first-time homebuyer documentary stamp tax exemption and 911 center consolidation reforms — two priorities with strong bipartisan appeal heading into fall session.

County Commissioners Eye 2026 Legislative Priorities

Pinellas County Commissioners have been briefed on the county's 2026 state legislative program, with top priorities including disaster recovery funding, beach nourishment, Resilient Florida grants, and E-911 fee adjustments. Major appropriation requests include improvements to the East Lake Road corridor (bridges and intersections), hurricane shelter hardening, and funding for Pinellas Hope — the emergency shelter operated by Catholic Charities that serves hundreds of residents in need each year. With session underway, advocates and residents alike are watching closely.

Volunteer Hours — Quick Guide

Your time counts. Write it down as you go.

Why this matters

Every six months the club reports members' volunteer hours. Those hours show the work we do for candidates, veterans, patriotism, and civic education. If you do not write the hours down, they cannot be counted.

What to count

Count time you spend volunteering or working on political and patriotic activities. Include travel time to meetings and events, and time spent preparing (planning, printing, emails, setup, cleanup).

Where to put your hours

Category	Examples — if you did it, log it
Political Activities	Helping candidates and the party: sign-waving, door-knocking, rallies (attend or organize), phone banking, poll watching, working at polling places. Club and GOP meetings (include travel time). Prep work for meetings or events, in person or online.
Veterans	Decorating veterans' graves — placing or removing American flags.
Patriotism	Military functions, naturalization ceremonies, marching in parades, USO donations, sending coupons or supplies, writing to troops.
Flag	Replacing flags, donating flags, attending flag ceremonies or celebrations.
Education	Trainings hosted by the GOP, Federated Women, or other Republican groups, and Election Office trainings (poll watchers, poll workers). Local, state, and national conferences and speaking engagements.

How to log hours (keep it simple)

1. After each activity, jot the date, what you did, and how long it took (hours and minutes).
2. Round to the nearest quarter hour if that is easier (15 min = 0.25, 30 min = 0.50).
3. Use a notebook, phone note, calendar, or a simple spreadsheet — whatever you will actually use.
4. Turn in totals by the deadline for that half-year. Do not wait until the last week.

Reporting periods & deadlines

Period	Dates covered	Hours due by
First half	January 1 – June 30	June 30
Second half	July 1 – December 31	December 31

Quick examples

- Drove 20 minutes each way to a candidate rally and stayed 90 minutes → log 2 hours 10 minutes under Political Activities.
- Spent 45 minutes printing flyers and 30 minutes at a club meeting (plus 15 minutes travel) → log 1 hour 30 minutes.
- Placed flags on veterans' graves for 2 hours → log 2 hours under Veterans.
- Attended poll-worker training for 3 hours → log 3 hours under Education.

Remember: Small blocks of time add up. If you helped, it counts. Write it down the same day so nothing is forgotten at the deadline.
